

Simply X: The all new X4

X4 is the second model to be launched by X-Yachts in the brand new range, X. The first model in this range to be designed was the X6 which is set to launch in May 2016.

Designed to complement both the existing two ranges, Xperformance (Xp) and Xcruising (Xc), X models will offer both excellent sailing capabilities and a modern spacious interior. The new 'X' models will include innovative design features above and below deck, the latest build technologies and the use of exceptionally high quality materials. By introducing this range, X-Yachts continues sharing the passion for "Superb Sailing Pleasure".

White hull with light grey striping is standard

The X4 will be sailing by mid-Summer 2016 and be present at a wide variety of Autumn boat shows

45Hp common rail diesel engine with a folding prop is standard

EXTERIOR

The hull is made using vacuum infused epoxy sandwich lamination technology to ensure maximum strength and safety. The X4 offers sailors a substantial keel weight and sail plan making it a dream to sail into wind and waves.

11 fixed hull and deck port lights and 12 openable deck hatches ensure maximum interior ventilation and light.

6 well-sized self-tailing winches for halyards, genoa and main sheet.

All X-Yachts normal features including encapsulated lead keel, hydraulic backstay adjuster, discontinuous rod rigging and Spectre halyards are standard.

INTERIOR

Over the past two years, interior designers and carpenters have been striving to reach an 'expression' for the X6, normally only seen on larger super yachts. The X4 interior will be incorporating inspiration from the evolution of this design process.

New stylish bookshelves, located behind the nav station and recessed into the bulkhead separating the owner's and sail's cabin add to exquisite interior detailing.

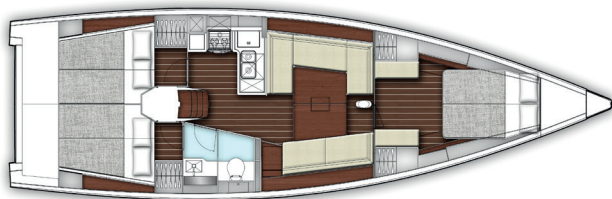

The surface finish will be O-Tech veneer for the first ten boats whilst the standard is a darker T-Tech veneer

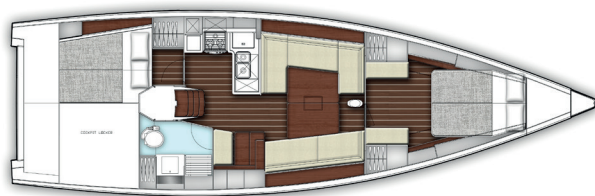

The owner's cabin is large and spacious thanks to an increased hull beam.

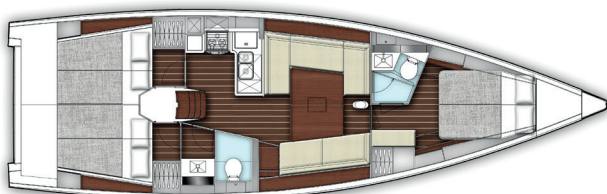

PLAN VIEW

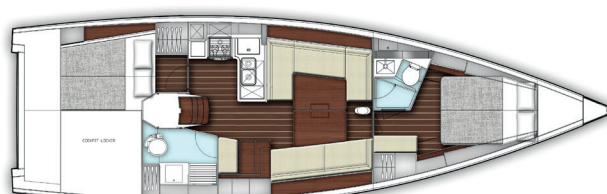

Standard: 3 cabin/1 head - available summer 2016

Option 2: 2 cabin/1 head – available summer 2017

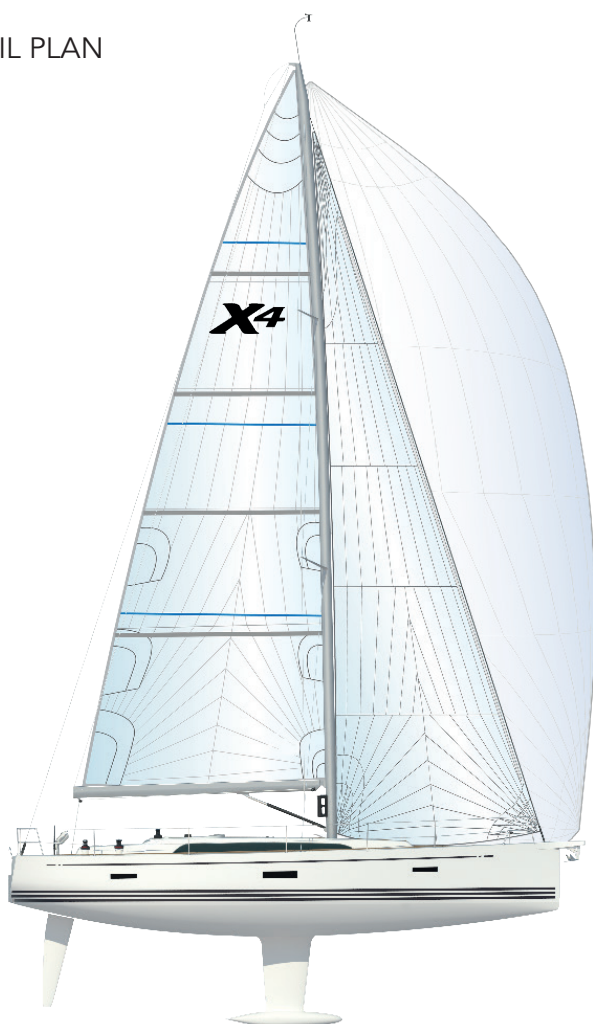

Option 1: 3 cabin/2 heads – available

Option 3: 2 cabin/2 heads – available autumn 2017

SAIL PLAN

X4 DIMENSIONS

Hull length	12.50 m	41.0 ft
LWL	11.31 m	37.1 ft
Beam	3.95 m	13.0 ft
Standard draft	2.20 m	7.2 ft
Standard draft (L-keel)	1.85 m	6.1 ft
Deep draft (L-keel)	2.50 m	8.2 ft
Ballast (standard)	3,800 kg	8,378 lbs
Displacement (light)	8,850 kg	19,511 lbs

ENGINE/TANKS

Engine diesel	33 kW	45 HP
Fuel tank	200 Ltr	52.8 Gal (US)
Water tank	340 Ltr	89.8 Gal (US)

SAIL AREAS

Mainsail (aluminium mast)	54.0 m ²	581.3 ft ²
Genoa (106%)	43.0 m ²	462.8 ft ²
Spinnaker	150 m ²	1614.6 ft ²
Spinnaker (asymmetric)	101.14 m ²	1,089 ft ²

BASE PRICE

€279,000 Euros + VAT
